Each Note will bear interest on its principal amount from (and including) the Issue Date to (but excluding) 18 May 2026 (the Maturity Date) at a fixed rate of 1.50 per cent. per annum payable annually in arrears on 18 May in each year and commencing on 18 May 2017, as further described in “Terms and Conditions of the Notes – Interest”. There will be a long first coupon in respect of the first interest period, from, and including, 17 May 2016 up to, but excluding, 18 May 2017.

The Issuer may, at its option, (i) from and including 18 February 2026 to but excluding the Maturity Date (as defined below), redeem the Notes outstanding on any such date, in whole (but not in part), at par plus accrued interest, as described under “Terms and Conditions of the Notes – Redemption and Purchase – Redemption – Redemption at the Option of the Issuer – Pre-Maturity Call Option”, (ii) at any time and from time to time redeem all or any of the Notes prior to the Maturity Date and in accordance with the provisions set out in “Terms and Conditions of the Notes – Redemption and Purchase – Redemption at the Option of the Issuer – Make Whole Redemption by the Issuer” and (iii) at any time prior to the Maturity Date, redeem the Notes, in whole (but not in part), at par plus accrued interest, if 80 per cent. of the Notes have been redeemed or purchased and cancelled, in accordance with the provisions set out in “Terms and Conditions of the Notes – Redemption at the Option of the Issuer – Change of Control”.

The Issuer may also, at its option, and in certain circumstances must, redeem all (but not some only) of the Notes at any time at par plus accrued interest in the event of certain tax changes, as further described in “Terms and Conditions of the Notes – Redemption for Taxation Reasons”.

Unless previously redeemed or purchased and cancelled, the Notes will be redeemed at their principal amount on 18 May 2026.

This Prospectus constitutes a prospectus within the meaning of Article 5.3 the directive 2003/71/EC of the European Parliament and of the Council on markets in financial instruments, as amended (the Prospectus Directive). This Prospectus has been approved by the Autorité des Marchés Financiers (the AMF) in its capacity as competent authority pursuant to Article 212-2 of its Règlement Général, which implements the Prospectus Directive. Application has been made to admit the Notes to trading on the regulated market of Euronext in Paris (Euronext Paris). References in this Prospectus to the Notes being “listed” (and all related references) shall mean that the Notes have been admitted to trading on Euronext Paris. Euronext Paris is a regulated market within the meaning of directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments, as amended.

The Notes will be issued in dematerialised bearer form (au porteur). Title to the Notes will be evidenced in accordance with Articles L. 211-3 and R. 211-1 of the French Code monétaire et financier by book-entries (inscription en compte) in the books of Account Holders. No physical document of title (including certificats représentatifs pursuant to Article R. 211-7 of the French Code monétaire et financier) will be issued in respect of the Notes. The Notes will, upon issue, be inscribed in the books of Euroclear France, which shall credit the accounts of the Account Holders, as set out in “Terms and Conditions of the Notes – Form, Denomination and Title”.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933. They may not be offered, sold or delivered in or within the United States or to, or for the account or benefit of, U.S. person, unless the Notes are registered under the Securities Act of 1933 or an exemption from the registration requirements of the U.S. Securities Act of 1933 is available.

The Notes have been assigned a rating of BBB- by Standard & Poor’s Ratings Services and Baa3 by Moody’s Investors Service. The long-term debt of the Issuer has been assigned a rating of BBB- (with stable outlook) by Standard & Poor’s Ratings Services and Baa3 (with positive outlook) by Moody’s Investors Service. A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension, reduction or withdrawal at any time by the relevant rating agency. A revision, suspension, reduction or withdrawal of a rating may adversely affect the market price of the Notes.

The credit ratings included or referred to in this Prospectus will be treated for the purposes of Regulation (EC) No 1060/2009 on credit rating agencies, as amended (the “CRA Regulation”), as having been issued by Standard & Poor’s Ratings Services and Moody’s Investors Service. Standard & Poor’s Ratings Services and Moody’s Investors Service are established in the European Union and included in the list of credit rating agencies registered under the CRA Regulation, published on the European Securities and Markets Authority’s website (www.esma.europa.eu/page/List-registered-and-certified-CRAs) as of the date of this Prospectus.

An investment in the Notes involves certain risks. Potential investors should review all the information contained or incorporated by reference in this document and, in particular, the information set out in the section entitled “Risk Factors” before making a decision to invest in the Notes.

Copies of this Prospectus and the documents incorporated by reference will be published on the website of the Issuer (www.pernod-ricard.com).
Copies of this Prospectus will be published on the website of the AMF (www.amf-france.org).

In accordance with Articles L. 412-1 and L. 621-8 of the French Code monétaire et financier and with the General Regulations (Règlement général) of the AMF, in particular Articles 211-1 to 216-1, the AMF has granted to this Prospectus the visa no. 16-169 on 12 May 2016. This Prospectus has been prepared by the Issuer and its signatories assume responsibility for it. In accordance with Article L. 621-8-1-I of the French Code monétaire et financier, the visa has been granted following an examination by the AMF of “whether the document is complete and comprehensible, and whether the information in it is coherent”. It does not imply that the AMF has verified the accounting and financial data set out in it and the appropriateness of the issue of the Notes.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with the Notes are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the Issuer may be unable to pay interest, principal or other amounts on or in connection with the Notes for other reasons and the Issuer does not represent that the statements below regarding the risks of holding the Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

1. RISK FACTORS RELATING TO THE ISSUER

The risks relating to the Issuer are set out on pages 130 to 139, 182 to 184 and 196 to 199 in the 2014/2015 Document de Référence (as defined in Section “Documents Incorporated by Reference”) and include the following:

− Risks in connection with business activity (including risks relating to the global economic environment, seasonal trends, competition, further consolidation in the Wines & Spirits segment, retailers in general, the Group’s geographic footprint, changes in consumer tastes and preferences, the Group’s industrial sites, raw materials and energy prices, acquisitions, the Group’s image and reputation, personnel, a breakdown of the Group’s information technology systems, the Group’s indebtedness, the Group’s pension plans, intellectual property, change in the regulatory environment and litigation);
− Industrial and environmental risks (including, as major risks identified, fire hazard, risk of accidental spillage, natural disasters, risks relating to climate change and other environmental aspects and risks for consumers);
− Liquidity risk; and
− Market risks (including liquidity, currency and interest rate risks).

2. RISK FACTORS RELATING TO THE NOTES

The Notes may not be a suitable investment for all investors.

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risk inherent in investing in or holding the Notes.

Each prospective investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each prospective investor should:

(i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;

(ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its own financial situation, an investment in the Notes and the impact that any such investment will have on its overall investment portfolio;
(iii) have sufficient financial resources and liquidity to bear the risks of an investment in the Notes, including any currency exchange risk due to the fact that the prospective investor’s currency is not Euro;

(iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of the financial markets and any relevant indices;

(v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the risks of such investment; and

(vi) consult its own advisers as to legal, tax and related aspects of an investment in the Notes.

Risks related to the structure of the Notes.

The Notes are subject to early redemption by the Issuer

An early redemption feature of Notes is likely to affect their market value. During any period when the Issuer may elect or be obliged to redeem Notes in accordance with Condition 6(b) “Terms and Conditions of the Notes - Redemption for Taxation Reasons” or Condition 6(c) “Terms and Conditions of the Notes – Redemption at the Option of the Issuer”, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. As a consequence, the yields received upon redemption may be lower than expected. This may also be true prior to any redemption period.

In respect of Condition 6(c)(iii) of the Terms and Conditions of the Notes, if 80 per cent. or more in initial aggregate nominal amount of the Notes have been redeemed or purchased and cancelled, the Issuer will have the option to redeem all of the outstanding Notes at their principal amount plus accrued interest. In particular, there is no obligation for the Issuer to inform investors if and when this percentage has been reached or is about to be reached, and the Issuer’s right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of this option, the Notes may have been trading significantly above par, thus potentially resulting in a loss of capital invested.

In addition, a partial redemption of a the Notes may also adversely affect liquidity for the remaining outstanding Notes.

An investor may not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Prospective investors should consider investment risk in light of other investments available at that time.

Interest rate risk on the Notes

Investment in the Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Notes.

The exercise of the Change of Control Put Option in respect of a significant number of Notes may affect the liquidity of the Notes in respect of which such Put Option is not exercised

Depending on the number of Notes in respect of which the Put Option (as defined in “Terms and Conditions of the Notes – Redemption or Purchase following a Change of Control Event”) is exercised in conjunction, if applicable, with any Notes purchased by the Issuer and cancelled, any trading market of the Notes in respect of which such Put Option is not exercised may become less liquid or illiquid.

No direct access to subsidiaries’ cash flows or assets

The Issuer is a holding company. Investors will not have any direct claims on the cash flows or the assets of the Issuer’s subsidiaries, and such subsidiaries have no obligation, contingent or otherwise, to pay amounts due under the Notes or to make funds available to the Issuer for these payments.

Risks related to the market generally.

An active trading market for the Notes may not develop

There can be no assurance that an active trading market for the Notes will develop, or, if one does develop, that it will be maintained. If an active trading market for the Notes does not develop or is not maintained, the liquidity and the market or trading price of the Notes may be adversely affected.
The trading market for the Notes may be volatile and may be adversely impacted by many events

The secondary market for debt securities is influenced by economic and market conditions and, to varying degrees, interest rates, currency exchange rates and inflation rates in other European and other industrialised countries. There can be no assurance that events in France, Europe or elsewhere will not cause market volatility or that such volatility will not adversely affect the price of the Notes or that economic and market conditions will not have any other adverse effect.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in Euro. This presents certain risk relating to currency conversions if an investor’s financial activities are denominated principally in a currency unit (the Investor’s Currency) other than the Euro. These include the risk that exchange rate may significantly change (including changes due to devaluation of the Euro or revaluation of the Investor’s Currency) and the risk that authorities with jurisdiction over the Investor’s Currency may impose or modify exchange controls. An appreciation in the value of the Investor’s Currency relative to the Euro would decrease (1) the Investor’s Currency-equivalent yield on the Notes, (2) the Investor’s Currency-equivalent value of the principal payable on the Notes and (3) the Investor’s Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate, the market price of the Notes or certain investors’ right to receive interest or principal on the Notes.

Risks related to the Notes generally.

Modification and waiver

The Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to a two-third majority in accordance with Article L. 228-65 II of the French Code de commerce. General Meetings may deliberate on proposals relating to the modification of the Conditions of the Notes subject to the limitation provided by French law.

No voting rights

The Notes do not give the Noteholders the right to vote at meetings of the shareholders of the Issuer.

No limitation on issuing debt

There is no restriction in the Notes on the amount of debt which the Issuer may incur. Any such further debt may reduce the amount recoverable by the Noteholders upon liquidation or insolvency of the Issuer.

Credit ratings may not reflect all risks

The credit ratings assigned to the Notes and/or the Issuer may not reflect the potential impact of all risks related to the structure, market or other factors that may affect the value of the Notes.

Credit Risk

An investment in the Notes involves taking credit risk on the Issuer. If the financial situation of the Issuer deteriorates, it may not be able to fulfil all or part of its payment obligations under the Notes, and investors may lose all or part of their investment.

Change of law

The Conditions of the Notes are based on the laws of France in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to the laws of France or administrative practice after the date of this Prospectus.

Potential Conflicts of Interest

Certain of the Joint Lead Managers (as defined under “Subscription and Sale” below) and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Joint Lead Managers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and
securities activities may involve securities and/or instruments of the Issuer or Issuer’s affiliates. Certain of the Joint
Lead Managers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit
exposure to the Issuer consistent with their customary risk management policies. Typically, such Joint Lead
Managers and their affiliates would hedge such exposure by entering into transactions which consist of either the
purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes. Any
such short positions could adversely affect future trading prices of the Notes. The Joint Lead Managers and their
affiliates may also make investment recommendations and/or publish or express independent research views in
respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long
and/or short positions in such securities and instruments.

Taxation

Prospective purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other
documentary charges or duties in accordance with the laws and practices of the country where the Notes are
transferred or other jurisdictions, or in accordance with any applicable double tax treaty. Prospective investors are
advised not to rely upon the tax summary contained in this Prospectus but to ask for their own tax adviser’s advice
on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these
advisors are in a position to duly consider the specific situation of the prospective investor. This paragraph has to be
read in conjunction with the taxation section of this Prospectus.

The proposed financial transaction tax (FTT)

On 14 February 2013, the European Commission adopted a proposal (the Commission’s Proposal) for a directive
for a common financial transaction tax (the FTT) in Austria, Belgium, Estonia, France, Germany, Greece, Italy,
Portugal, Slovenia, Slovakia and Spain) (the Participating Member States).

The Commission’s Proposal has a very broad scope and could, if introduced, apply to certain transactions relating to
the Notes (including secondary market transactions) in certain circumstances. Holders of Notes may therefore be
exposed to increased transaction costs.

Under the Commission’s Proposal, the FTT could apply in certain circumstances to persons both within and outside
of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one
party is a financial institution, and at least one party is established in a participating Member State. A financial
institution may be, or be deemed to be, “established” in a participating Member State in a broad range of
circumstances, including (a) by transacting with a person established in a participating Member State or (b) where
the financial instrument which is subject to the dealings is issued in a participating Member State.

On 8 December 2015, 10 of the Participating Member States issued a statement indicating an agreement on certain
features of the FTT. Since then, Estonia officially announced its withdrawal from the negotiations.

The FTT proposal remains subject to negotiation between the participating Member States and may therefore be
altered prior to any implementation, the timing of which remains unclear. Member States may join or leave the
Participating Member States at later stages.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

French insolvency law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders
(the Assembly) in order to defend their common interests if a safeguard (procédure de sauvegarde or procédure de
sauvegarde financière accélérée or procédure de sauvegarde accélérée or procédure de sauvegarde financière accélérée) or a judicial reorganisation procedure
(procédure de redressement judiciaire) is opened in France with respect to the Issuer. The Assembly comprises
holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance
programme (EMTN) and regardless of their governing law. The Assembly deliberates on the proposed safeguard
(projet de plan de sauvegarde or projet de plan de sauvegarde accéléré or projet de plan de sauvegarde financière
accélérée) or judicial reorganisation plan (projet de plan de redressement) applicable to the Issuer and may further
agree to:

- increase the liabilities (charges) of holders of debt securities (including the Noteholders) by rescheduling due
  payments and/or partially or totally writing off receivables in form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under
  the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.
Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convoke the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in this Prospectus will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

The issue outside the Republic of France of the €600,000,000 aggregate principal amount of 1.50 per cent. Notes due 18 May 2026 (the Notes) of Pernod Ricard S.A. (the Issuer) has been authorised pursuant to a resolution of the Conseil d’administration of the Issuer, adopted on 20 April 2016, and decisions of Mr. Alexandre Ricard, Président du Conseil d’administration et Directeur Général of the Issuer, made on 10 May 2016. An agency agreement (the Agency Agreement) to be dated 12 May 2016 will be entered into in relation to the Notes between the Issuer and BNP Paribas Securities Services, as fiscal agent, calculation agent and principal paying agent (the Fiscal Agent, the Calculation Agent and the Paying Agent). References below to Conditions are, unless the context otherwise requires, to the numbered paragraphs below.

1 Form, Denomination and Title

The Notes will be issued in dematerialised bearer form (au porteur) in the denomination of €100,000 per Note. Title to the Notes will be evidenced in accordance with Articles L. 211-3 and R. 211-1 of the French Code monétaire et financier by book-entries (inscription en compte) in the books of Account Holders (as defined below). No physical document of title (including certificats représentatifs pursuant to Article R. 211-7 of the French Code monétaire et financier) will be issued in respect of the Notes. The Notes will, upon issue, be inscribed in the books of Euroclear France, which shall credit the accounts of the Account Holders.

Account Holder shall mean any intermediary institution entitled to hold, directly or indirectly, accounts on behalf of its customers with Euroclear France, and includes the depositary bank for Clearstream Banking société anonyme (Clearstream) and Euroclear Bank S.A./N.V. (Euroclear).

Title to the Notes shall be evidenced by entries in the books of Account Holders and will pass upon, and transfer of Notes may only be effected through, registration of the transfer in such books.

In these Conditions, Noteholder means the person whose name appears in the account of the relevant Account Holder as being entitled to any Note.

2 Status of the Notes

The principal and interest of the Notes constitute direct, unsubordinated and (subject to the Negative Pledge provisions as provided in Condition 3 below) unsecured obligations of the Issuer and will rank pari passu and without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

3 Negative Pledge

So long as any of the Notes remains outstanding, the Issuer will not, and will procure that none of its Principal Subsidiaries will, create or permit to subsist any mortgage, charge, pledge or other security interest (sûreté réelle) upon any of its or their assets or revenues, present or future, to secure (1) any Relevant Indebtedness or (2) any guarantee in respect of any Relevant Indebtedness unless, in either case, the Issuer’s obligations under the Notes (i) are secured equally and rateably with such Relevant Indebtedness or such guarantee in respect thereof, or (ii) are given the benefit of such other security, guarantee or arrangement as shall be approved by the Masse of the Noteholders.
For the purposes of this Condition:

**Principal Subsidiary** means at any relevant time a Subsidiary of the Issuer:

(i) whose total gross assets as reflected in its statutory non-consolidated accounts represent no less than 10 per cent. of the total consolidated gross assets of the Issuer, as calculated by reference to the then latest audited accounts of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its consolidated subsidiaries; or

(ii) to which are transferred all or substantially all of the assets of a Subsidiary which immediately prior to such transfer was a Principal Subsidiary, in which case the transferring entity will no longer be considered as a Principal Subsidiary as of the day of such transfer. For the avoidance of doubt, any Subsidiary which becomes a Principal Subsidiary under this sub-paragraph (ii) will continue to be a Principal Subsidiary following the next audited accounts of such Subsidiary only if it satisfies the requirement set forth in sub-paragraph (i).

**Relevant Indebtedness** means any present or future indebtedness for borrowed money represented by bonds (obligations) or other securities (including titres de créances négociables) which are for the time being or capable of being, quoted, listed or ordinarily traded on any stock exchange, over-the-counter market or other securities market.

**Subsidiary** means any person or entity at any time which is a subsidiary within the meaning of Articles L. 233-1 and L. 233-3 of the French Code de commerce.

### 4 Interest

#### (a) Interest Payment Dates

Each Note bears interest on its principal amount, from (and including) 17 May 2016 (the **Issue Date**), at the rate of 1.50 per cent. per annum (the **Rate of Interest**) payable annually in arrear on 18 May in each year (an **Interest Payment Date**) commencing on 18 May 2017. There will be a long first coupon in respect of the first Interest Period (as defined below), from and including, 17 May 2016 up to, but excluding, 18 May 2017 (i.e. €1,504.10 per Note).

Where interest is to be calculated in respect of a period which is equal to or shorter than an Interest Period (as defined below), it shall be calculated by applying the Rate of Interest to the principal amount of each Note, multiplying the product by the Day-Count Fraction and rounding the resulting figure to the nearest cent (half a cent being rounded upwards). The Day-Count Fraction will be Actual/Actual - ICMA basis which will be the number of days in the relevant period, from and including the date from which interest begins to accrue to but excluding the date on which it becomes due, divided by the number of days in the Interest Period in which the relevant period falls (including the first but excluding the last day of such period). The period from and including the Issue Date to but excluding the first Interest Payment Date and each successive period from and including an Interest Payment Date to but excluding the next Interest Payment Date is called an **Interest Period**.

#### (b) Interest Accrual

Each Note will cease to bear interest from and including the due date for redemption unless payment of the principal in respect of the Note is improperly withheld or refused on such date or unless default is otherwise made in respect of the payment.

Interest payments will be made subject to, and in accordance with, the provisions of Condition 5.
5 Payments

(a) Method of Payment

Payments of principal and interest in respect of the Notes will be made in Euro by transfer to a Euro denominated account (or any other account to which Euro may be credited or transferred) specified by the payee with a bank in a country within the TARGET System. Such payments shall be made for the benefit of the Noteholders to the Account Holders.

None of the Issuer, the Fiscal Agent, the Calculation Agent or the Paying Agent shall be liable to any Noteholder or other person for any commission, costs, losses or expenses in relation to, or resulting from, the credit or transfer of Euro, or any currency conversion or rounding effect in connection with such payment being made in Euro.

Payments in respect of principal and interest on the Notes will, in all cases, be made subject to any fiscal or other laws and regulations or orders of courts of competent jurisdiction applicable in respect of such payments to the Issuer, the Fiscal Agent, the Calculation Agent, the Paying Agent, the relevant Account Holder or, as the case may be, the person shown in the records of Euroclear France, Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of Notes, but without prejudice to the provisions of Condition 7.

(b) Payments on Business Days

If the due date for payment of any amount of principal, interest or other amounts in respect of any Note is not a Business Day, payment shall not be made of the amount due and credit or transfer instructions shall not be given in respect thereof until the next following Business Day and the Noteholders shall not be entitled to any interest or other sums in respect of such postponed payment.

For the purposes of these Conditions:

A Business Day means any day (not being a Saturday or a Sunday) on which (i) the TARGET System is operating and (ii) on which Euroclear France is open for general business; and

TARGET System means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) System or any successor thereto.

(c) Fiscal Agent, Calculation Agent and Paying Agent

The name of the initial Fiscal Agent, Calculation Agent and Paying Agent and their specified offices is set forth below:

Fiscal Agent, Calculation Agent, Principal Paying Agent and Paying Agent

BNP Paribas Securities Services
Les Grands Moulins de Pantin
9, rue du Débarcadère
93500 Pantin
France

The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent and/or the Calculation Agent and/or Paying Agent and/or appoint additional or other Paying Agents or Calculation Agent or approve any change in the office through which any such Paying Agent acts, provided that there will at all times be (i) a Fiscal Agent having a specified office in a European city and (ii) so long as the Notes are admitted to trading on the regulated market of Euronext in Paris and the rules of that exchange so require, a Paying Agent having a specified office in Paris (which may be the Fiscal and principal Paying Agent) and (iii) so long as any Note is outstanding, there shall at all time be a Calculation Agent. The Issuer undertakes that it will ensure that it maintains a Paying Agent
in a Member State of the European Union other than Austria, so long as Austria will be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusion of ECOFIN Council meeting of 27 and 28 November 2000 or any law complementing or complying with, or introduced in order to conform to, such directive.

Any termination or appointment shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not more than forty five (45) nor less than thirty (30) calendar days’ notice thereof shall have been given to the Noteholders by, or on behalf of, the Issuer in accordance with Condition 10.

In the absence of wilful default, bad faith or manifest error, no liability to the Noteholders shall attach to any of the Paying Agents or the Calculation Agent in connection with the exercise or non-exercise by them of their powers, duties and discretions under these Conditions.

6 Redemption and Purchase

The Notes may not be redeemed other than in accordance with this Condition 6 or Condition 8.

(a) Redevelopment at Maturity

Unless previously redeemed or purchased and cancelled, the Notes will be redeemed in full at their principal amount (i.e. €100,000 per Note) on the Interest Payment Date falling on 18 May 2026 (the Maturity Date).

(b) Redemption for Taxation Reasons

(i) If by reason of a change in the laws or regulations of the French Republic, or any political subdivision therein or any authority thereof or therein having power to tax, or in a treaty applicable to France, or any change in the application or official interpretation of such laws or regulations or treaty (including a judgment by a court of competent jurisdiction), becoming effective on or after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 7(b) below, the Issuer may, on any date, subject to having given not more than 60 nor less than 30 calendar days’ prior notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 10, redeem the Notes (in whole but not in part) at their principal amount plus accrued interest up to (but excluding) their effective redemption date provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes or, if such date has passed, as soon as practicable thereafter.

(ii) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 7(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven calendar days’ prior notice to the Noteholders in accordance with Condition 10, redeem the Notes (in whole but not in part) at their principal amount plus accrued interest up to (but excluding) their effective redemption date provided that the due date for redemption of which notice hereunder shall be given shall be no earlier than the latest practicable date on which the Issuer could make payment of the full amount of principal and interest payable without withholding for French taxes or, if such date has passed, as soon as practicable thereafter.
Redemption at the Option of the Issuer

(i) Pre-Maturity Call Option

The Issuer may, at its option, from (and including) 18 February 2026 to (but excluding) the Maturity Date, subject to having given not more than 30 nor less than 15 calendar days’ prior notice to the Noteholders in accordance with Condition 10 (which notice shall be irrevocable), redeem the outstanding Notes, in whole (but not in part), at their principal amount plus accrued interest up to (but excluding) the date fixed for redemption.

(ii) Make Whole Redemption by the Issuer

The Issuer will, subject to compliance by the Issuer with all relevant laws, regulations and directives and subject to having given not more than 30 nor less than 15 calendar days’ notice to the Noteholders in accordance with Condition 10 (which notice shall be irrevocable), have the option to redeem the Notes, in whole or in part, at any time prior to 18 May 2026 (the Optional Make Whole Redemption Date) at their Optional Redemption Amount (as defined below).

The Optional Redemption Amount will be calculated by the Calculation Agent and will be an amount in Euro rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) 100 per cent. of the principal amount of the Notes so redeemed and (y) the sum of the then present values on the relevant Optional Make Whole Redemption Date of (i) the principal amount of each Note and (ii) the remaining scheduled payments of interest on such Note for the remaining term of such Note (determined on the basis of the interest rate applicable to such Note (excluding any interest accruing on such Note to, but excluding, such Optional Make Whole Redemption Date), discounted from the Maturity Date to such Optional Make Whole Redemption Date on an annual basis at the Early Redemption Rate plus an Early Redemption Margin, plus in each case (x) or (y) above, any interest accrued on the Notes to, but excluding the Optional Make Whole Redemption Date.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties. The Calculation Agent shall act as an independent expert and not as agent for the Issuer or the Noteholders.

Early Redemption Margin means 0.20 per cent. per annum.

Early Redemption Rate means the average of the four (4) quotations given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Benchmark Security on the fourth business day in Paris preceding the relevant Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (CET)).

If the Reference Benchmark Security is no longer outstanding, a Similar Security will be chosen by the Calculation Agent after prior consultation with the Issuer if practicable under the circumstances, at 11.00 a.m. (Central European time (CET)) on the fourth business day in Paris preceding the Optional Make Whole Redemption Date, quoted in writing by the Calculation Agent to the Issuer.

Reference Benchmark Security means the German federal government bond (bearing interest at a rate of 0.50 per cent. per annum and maturing on 15 February 2026 with ISIN DE0001102390).

Reference Dealers means each of the four banks (that may include the Joint Lead Managers), selected by the Calculation Agent which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues.
**Similar Security** means a reference bond or reference bonds issued by the German federal government having an actual or interpolated maturity comparable with the remaining term of the Notes that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

In the case of a partial redemption, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Notes in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full only part of such Notes and, in such latter case, the choice between those Notes that will be fully redeemed and those Notes that will not be redeemed shall be made in accordance with Article R.213-16 of the French *Code monétaire et financier*, subject to compliance with any other applicable laws and regulated market or other stock exchange requirements.

So long as the Notes are admitted to trading on Euronext Paris and the rules of that stock exchange so require, the Issuer shall, each year in which there has been a partial redemption of the Notes, cause to be published in accordance with Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the *Autorité des marchés financiers*, a notice specifying the aggregate nominal amount of Notes outstanding.

(iii) **Clean-Up Call Option**

In the event that 80 per cent. or more in initial aggregate nominal amount of the Notes (including any further notes to be assimilated with the Notes pursuant to Condition 12) have been redeemed or purchased and cancelled, the Issuer may, at its option, subject to having given not more than 30 nor less than 15 calendar days’ prior notice to the Noteholders in accordance with Condition 10 (which notice shall be irrevocable), redeem the outstanding Notes, in whole (but not in part), at their principal amount plus accrued interest up to (but excluding) the date fixed for redemption.

(d) **Redemption or Purchase following a Change of Control Event**

If at any time while any of the Notes remains outstanding, (i) a Change of Control occurs and (ii) within the Change of Control Period a Negative Rating Event in respect of that Change of Control occurs and is not cured prior to the last calendar day of the Change of Control Period (a **Change of Control Event**), then each Noteholder shall have the option (the **Put Option**) to require the Issuer to redeem or, at the Issuer’s option, to procure the purchase of, part or all of its Notes at their principal amount together with accrued interest to (but excluding) the Optional Redemption Date (as defined below).

Promptly upon the Issuer becoming aware of the occurrence of a Change of Control Event, the Issuer shall give notice to the Noteholders in accordance with Condition 10, specifying the nature of the Change of Control Event, the circumstances giving rise to it and the procedure for exercising the Put Option (the **Put Event Notice**).

Each Noteholder will have the right to require the redemption (or, at the Issuer’s option, the purchase) of all or part of the Notes held by it within a 45-calendar day period (the **Put Period**) after the Put Event Notice is given. To exercise the Put Option, each Noteholder must transfer or cause to be transferred by its Account Holder its Notes to be so redeemed (or purchased) to the account of the Paying Agent specified in the Put Option Notice for the account of the Issuer within the Put Period, together with a duly signed and completed notice of exercise in the form obtainable from the specified office of the Paying Agent (a **Put Option Notice**) and in which the relevant Noteholder will specify a bank account to which payment is to be made under this Condition 6(d).
The Issuer shall, subject to the transfer of such Notes to the account of the Paying Agent for the account of the Issuer as described above, redeem or, at the option of the Issuer, procure the purchase of, the Notes in respect of which the Put Option has been validly exercised as provided above on the tenth Business Day following the expiration of the Put Period (the **Optional Redemption Date**). Payment in respect of any Note so transferred will be made in Euro to the holder to the specified Euro-denominated bank account in the Put Option Notice on the Optional Redemption Date via the relevant Account Holders.

For the purposes of this Condition:

**A Change of Control** will be deemed to have occurred each time (whether or not approved by the Conseil d’administration of the Issuer) that any person or group of persons acting in concert (personnes agissant de concert, as defined in Article L. 233-10 of the French Code de commerce) at any time directly or indirectly gains control (as defined in Article L. 233-31 of the French Code de commerce) of the Issuer.

**Change of Control Period** means, in relation to (and following) the occurrence of a Change of Control, the period commencing on the date of the first formal public announcement of the relevant Change of Control and ending on the date which is 90 calendar days (inclusive) after the date of such public announcement.

A **Negative Rating Event** shall occur in respect of a Change of Control:

(i) if the corporate credit rating is assigned to the Issuer by at least two Rating Agencies and is reduced by at least one full rating notch, provided that none of such credit ratings reduced by such two Rating Agencies and assigned to the Issuer are above or equal to Ba1 by Moody’s and/or BB+ by S&P and/or their respective equivalent for the time being,

(ii) if the corporate credit rating is assigned to the Issuer only by one Rating Agency and is reduced by such Rating Agency at least by one full rating notch, provided that such credit rating so reduced by such Rating Agency and assigned to the Issuer is not above or equal to Ba1 by Moody’s or BB+ by S&P or their respective equivalent for the time being,

(iii) if the corporate credit rating is assigned to the Issuer by only one Rating Agency and is withdrawn, 

provided that, in each such case, the relevant Rating Agency publicly announces that any such reduction or withdrawal is directly linked to such Change of Control.

**Rating Agency** means Moody’s Investors Service, Inc. (Moody’s), Standard & Poor’s Rating Services, a division of the McGraw Hill Companies, Inc. (S&P), or any other rating agency of equivalent international standing, in each case any of their respective successors and affiliates and, in each case, solicited by the Issuer to grant a corporate credit rating to the Issuer*.

While any of the Notes remains outstanding, the Issuer undertakes to maintain a corporate credit rating assigned to the Issuer by at least one Rating Agency.

(e) **Purchases**

The Issuer may, in accordance with all applicable laws and regulations, at any time purchase Notes in the open market or otherwise without any limitation as to price or quantity including connection with a tender offer. All Notes so purchased by the Issuer may be held and resold in accordance with

* As at the date of this Prospectus, the rating agencies solicited by the Issuer are Moody’s and S&P.
Article L.213-1 A of the French Code monétaire et financier for the purpose of enhancing the liquidity of the Notes.

(f) Cancellation

All Notes which are redeemed (including upon exchange) or purchased for cancellation by the Issuer will be promptly cancelled and accordingly may not be reissued or resold.

7 Taxation

(a) All payments under or with respect to the Notes will be made without withholding or deduction for any taxes or duties of whatever nature imposed, levied or collected by or on behalf of France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) If French law should require that payments of principal or interest in respect of any Note be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders of such amounts as would have been received by the Noteholders had no such deduction or withholding been required, except that no such additional amounts shall be payable with respect to any Notes to, or to a third party on behalf of, a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of his having some present or future connection with France other than the mere holding of the Note.

(c) Notwithstanding anything to the contrary contained herein, the applicable payor of any payment hereunder shall be entitled to withhold and deduct the amounts required under FATCA (FATCA Withholding), and none of the Issuer, the Fiscal Agent, the Calculations Agent, the Paying Agent or any other payor shall be required to pay any additional amounts (including, for the avoidance of doubt, pursuant to Condition 7(b)) on account of FATCA Withholding. For purposes of the preceding sentence, “FATCA” shall mean Sections 1471 through 1474 of the US Internal Revenue Code of 1986, as amended (or any successor provisions), any current or future regulations or official interpretations thereof, any agreements (including any intergovernmental agreements) thereunder or any law, regulation, or official interpretation implementing any of the foregoing.

8 Events of Default

If any of the following events (each an Event of Default) occurs and is continuing, the Representative (as defined below) of the Masse (as defined below), acting upon request of one or several Noteholders together representing no less than 10 per cent. of the outstanding aggregate principal amount of the Notes, may give written notice to the Issuer and the Fiscal Agent (at its specified office) declaring all the Notes to be due and payable, whereupon all Notes will become due and payable at their principal amount plus accrued interest unless such event(s) shall have been remedied prior to the receipt of such notice by the Issuer and the Fiscal Agent:

(i) the Issuer is in default for more than 15 calendar days for the payment of any amount on the Notes, after the same shall become due and payable;

(ii) the Issuer is in default in the performance of, or compliance with, any of its other obligations under the Notes and such default has not been cured within 30 Business Days after the receipt by the Fiscal Agent of a written notice identifying such default by the Representative of the Masse;

(iii) (a) any other present or future indebtedness of the Issuer or any of its Principal Subsidiaries for borrowed money becomes due and payable prior to its stated maturity as a result of a default thereunder, or (b) any such indebtedness is not paid when due, or (c) any guarantee or indemnity given by the Issuer or any of its Principal Subsidiaries for, or in respect of, any such indebtedness of others is
not honoured when due and called upon, subject, in each case, to a grace period equal to the greater of any applicable grace period and 10 calendar days,

provided, in each case, that the relevant aggregate amount of the defaulted indebtedness, payment obligations, guarantee or indemnity in respect of which an event mentioned above has occurred exceeds €100,000,000 (or its equivalent in any other currency), whether individually or in the aggregate, and unless, in each case, the Issuer or its relevant Principal Subsidiary challenges in good faith the relevant event before a court of competent jurisdiction, in which case none of the relevant events will constitute an event of default until a final judgment has been rendered by such relevant court;

(iv) the Issuer sells or otherwise disposes of all or substantially all of its assets or ceases to carry on all or substantially all of its business or an order is made or an effective resolution is passed for its winding-up, dissolution or liquidation, unless (a) such disposal, winding-up, dissolution, liquidation or cessation is made or takes place in connection with a merger, consolidation, amalgamation or other form of reorganisation with or to any other corporation and the Issuer’s liabilities under the Notes are transferred to and assumed by such other corporation (including, without limitation, pursuant to a fusion, scission or apport partiel d’actifs) and (b) the long term rating assigned by S&P or Moody’s to such other corporation immediately following such merger, consolidation, amalgamation or other form of reorganisation is not lower than the long-term credit rating assigned by such agency to the Issuer immediately prior to such merger, consolidation, amalgamation or other form of reorganisation; or

(v) any Principal Subsidiaries enters into a composition with its creditors or a judgement is rendered for the judicial liquidation (liquidation judiciaire) of the Issuer or of any of its Principal Subsidiaries or for a transfer of the whole of the business (cession totale de l’entreprise) of the Issuer or the Issuer or any of its Principal Subsidiaries makes any conveyance for the benefit of, or enters into any agreement with, its creditors as a result of actual financial difficulties.

One or more Noteholders, holding together at least one thirtieth (1/30) of outstanding Notes may address to the Issuer and the Representative a demand for convocation of the general assembly; if such general assembly has not been convened within two (2) months from such demand, such Noteholders may commission one of themselves to petition the competent court in Paris to appoint an agent who will call the meeting.

Notice of the date, hour, place, agenda and quorum requirements of any meeting of a general assembly will be published as provided under Condition 10 not less than fifteen (15) calendar days prior to the date of the general assembly on first convocation and six (6) calendar days on second convocation.

(f) **Powers of General Assemblies**

A general assembly is empowered to deliberate on the fixing of the remuneration of the Representative and on its dismissal and replacement, and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

A general assembly may further deliberate on any proposal relating to the modification of the Conditions of the Notes, including:

(i) any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions; and

(ii) any proposal relating to the issue of securities carrying a right of preference compared to the rights of the Noteholders,

it being specified, however, that a general assembly may not increase the liabilities (*charges*) to the Noteholders, nor establish any unequal treatment between the Noteholders, nor decide to convert the Notes into shares.

In accordance with Article R. 228-71 of the French *Code de commerce*, the rights of each Noteholder to participate in general assemblies will be evidenced by the entries in the books of the relevant Account...
Holder of the name of such Noteholder on the second business day in Paris preceding the date set for
the meeting of the relevant General Meeting at 0:00, Paris time.

Meetings of a general assembly may deliberate validly on first convocation only if Noteholders present
or represented hold at least one fifth (1/5) of the principal amount of the Notes then outstanding. On
second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third
(2/3) majority of votes cast by the Noteholders attending such meeting or represented thereat.

(g) Notice of Decisions

Decisions of the meetings must be published in accordance with the provisions set out in Condition 10
not more than ninety (90) calendar days from the date thereof.

(h) Information to the Noteholders

Each Noteholder or representative thereof will have the right, during the fifteen (15) calendar day
period preceding the holding of each meeting of a general assembly, to consult or make a copy of the
text of the resolutions which will be proposed and of the reports which will be presented at the meeting,
which will be available for inspection at the principal office of the Issuer, at the offices of the Paying
Agents and at any other place specified in the notice of meeting.

(i) Expenses

The Issuer will pay all reasonable expenses incurred in the operation of the Masse, including expenses
relating to the calling and holding of meetings and the expenses which arise by virtue of the
remuneration of the Representative, and more generally all administrative expenses resolved upon by a
general assembly of the Noteholders, it being expressly stipulated that no expenses may be imputed
against interest payable on the Notes.

12 Further Issues

The Issuer may from time to time without the consent of the Noteholders issue further notes to be assimilated
and form a single series (assimilées) with the Notes, provided that such further notes and the Notes shall carry
rights identical in all respects (or in all respects except for the first payment of interest thereon) and that the
terms of such further notes shall provide for such assimilation. In the event of such assimilation, the
Noteholders and the holders of any assimilated (assimilées) notes will for the defence of their common
interests be grouped in a single Masse having legal personality.

13 Governing Law and Submission to Jurisdiction

The Notes are governed by and shall be construed in accordance with the laws of the Republic of France.

Any action against the Issuer in connection with the Notes will be submitted to the exclusive jurisdiction of the
competent courts in Paris.
USE OF PROCEEDS

The net proceeds of the issue of the Notes are expected to amount to approximately €596,826,000 and will be used for general corporate purposes, including but not limited to the repayment in whole or in part of certain tranches of the syndicated loan or outstanding bonds of the Issuer, thus extending the maturity profile of its external debt.

Pernod Ricard, via its German affiliate Pernod Ricard Deutschland, is delighted to announce the signing of the agreement for the acquisition of a majority share of the dry-gin brand Monkey 47, produced in the Black Forest region in Germany. The French wine and spirits company and the German company Black Forest Distillers GmbH signed the agreement yesterday evening in Berlin. The closing of the transaction is subject to approval by the relevant competition authorities.

With this investment, Pernod Ricard expands its portfolio further into the fast growing super premium gin category. Monkey 47 is already a very successful gin having won over many loyal consumers in the past years.

“Since 2011 we have admired the development of Monkey 47 and we are pleased to be able to shape the future of that fantastic brand together with our partner. There are moments in life in which you know immediately that you have found a jewel. And Monkey 47 is a jewel, perfectly matching the rising worldwide demand for craft gin with strong local roots. We share the same values that have driven the success of Monkey 47, such as authenticity, entrepreneurial spirit and passion for quality”, says Alexandre Ricard, Chairman & CEO of Pernod Ricard.

David Haworth, Managing Director of Pernod Ricard Deutschland, addes: “Pernod Ricard and Monkey 47 are a natural fit. The high-quality gin fits Pernod Ricard perfectly and Monkey 47 is seen as a cult brand by many bartenders. We want to not only develop the brand further in Germany but also to expand Monkey 47 globally in the future.”
The founder of Monkey 47 and CEO of the Black Forest Distillers GmbH, Alexander Stein, welcomes this partnership with Pernod Ricard and emphasizes the values that connect both companies: “The partnership with Pernod Ricard was a personal decision. The company led by Alexandre Ricard distinguishes itself especially through a strong entrepreneurial character, a decentralised organisation and a global presence. Pernod Ricard is a companion who respects passion for brands, lives and regards it as essential.”

5 Press release – Paris, 19 February 2016

Pernod Ricard S.A. is pleased to confirm that the U.S. Patent and Trademark Office has renewed the HAVANA CLUB trademark registration in the United States through January 27, 2026.

The renewal of the U.S. trademark registration means that the dispute over ownership of the Havana Club brand in the United States can be returned to the U.S. courts, where it can be decided on its merits. “We are confident that Cubaexport, the Cuban entity that owns the U.S. trademark registration for Havana Club rum, will prevail in defending its registration in the pending litigation,” said Ian FitzSimons, General Counsel of Pernod Ricard.

Havana Club rum is the only 100% authentic and genuine Cuban rum distributed in more than 120 markets throughout the world, in which our joint-venture Havana Club Holdings owns the rights to the Havana Club trademark. Pernod Ricard hopes that, in the future, it will be able to distribute Havana Club rum in the United States.

Pernod Ricard is aware that an amended complaint has been filed against Cubaexport by Bacardi & Company Ltd before the United States District Court for the District of Columbia on 11 March 2016, and is currently analysing its contents.

The litigation has its origin in Bacardi’s effort to seek cancellation of Cubaexport’s trademark registration for Havana Club. In 2004, the Trademark Trial and Appeal Board (TTAB) ruled that Cubaexport was the owner of the Havana Club trademark registration. Bacardi appealed that decision to the courts. The case was stayed pending the renewal of the trademark registration.

In February of this year, Cubaexport renewed its registration with the US Patent and Trademark Office (USPTO) through 2026. This means that the courts will now decide the dispute over the ownership of the Havana Club trademark on the merits.

“We are confident that Cubaexport will prevail in defending its registration in the pending litigation. Cubaexport has been registered owner of the Havana Club trademark in the US since 1976, and owns the rights to the Havana Club trademark everywhere it is sold around the world. We look forward to letting the Court decide the case on the merits” said Ian FitzSimons, General Counsel of Pernod Ricard.

Havana Club is the reference when it comes to Cuban rum around the world. It has earned its stellar reputation over the years for its quality and the image it conveys. Havana Club is 100% made in Cuba and benefits from its rich soil, warm weather, quality sugar canes, know-how of the Maestros del Ron Cubano and also the Cuban culture. Havana Club has won 27 gold medals in the last 4 years at major tasting competitions around the world, as well as the Craftsmanship Trophy in 2012 (ISC London). It is the n°1 favorite rum brand of
bartenders from the 50 World Best Bars and their n°2 favorite spirit brand (Drink International – 7 Years Survey, January 2016).

Jérôme Cottin-Bizonne, CEO of Havana Club International, said “Havana Club is the true spirit of Cuba, and we hope to share it with the American people if the US embargo on Cuban goods is lifted.”

Sales for the first 9 months of FY16 totalled €6,813 million. Pernod Ricard posted solid Sales in a contrasted environment, with organic growth of +3%. Reported growth was +4% thanks in particular to a positive USD impact.

Regionally, this was driven by:

- Strong growth in the Americas (+6% YTD) driven by a dynamic USA (partly enhanced by shipment phasing),
- Modest growth in Asia-Rest of the World (+2% YTD) with continued strong growth in India and Africa but a decline in China,
- Resilient Sales in Europe (+1% YTD), driven mainly by Spain.

The Top 14 grew +1% YTD driven notably by Jameson and innovation, while Key Local Brands (+7% YTD) reported dynamic growth driven by Indian whiskies and Passport and Priority Premium Wines accelerated (+4% YTD) thanks to the UK and Australia.

Sales for the third quarter of FY16 totalled € 1,855 million, including organic growth of +1% and a negative FX impact (-4%) due to emerging market currency weakness. Q3 Reported growth was -3%. Growth was in part favoured by shipment phasing in the USA but negatively impacted by an earlier Chinese Year.

As part of this communication, Alexandre Ricard, Chairman and Chief Executive Officer, stated, “Our Sales growth to date at +3% is solid in an environment that remains contrasted. Our strategy has remained consistent and is driving results: innovation is accelerating; operational excellence is driving efficiencies; our ongoing initiatives in the USA are starting to deliver; we are working actively to develop the new phase of growth in China, where we remain confident in the medium-term potential despite the tough current context.

We confirm our FY16 guidance of organic growth in Profit from Recurring Operations between +1% and +3%.”

Note: All growth data specified in this press release refers to organic growth (constant FX and Group structure), unless otherwise stated. Data may be subject to rounding.

A detailed presentation of Sales for the third quarter of FY16 can be downloaded from our website: www.pernod-ricard.com

Irish Distillers, an affiliate of Pernod Ricard, has entered into exclusive negotiations with Sazerac regarding the sale of the Paddy Irish Whiskey brand, the 4th largest Irish whiskey brand in the world. The transaction, if completed, would involve Irish Distillers continuing to produce Paddy Irish Whiskey at its Midleton Distillery. There would be no impact on roles at Irish Distillers; all employees would remain in place under current terms and conditions.

Commenting on the proposed deal, Mark Brown, President and CEO of Sazerac, said: “In the global market, Irish whiskey experienced the fastest volume growth in the last five years, outpacing all other spirits categories. Consumers worldwide are seeing it as an alternative to other whiskies. If this deal goes through, we are confident that we will be able to take Paddy to the next level, building on its strong history and roots.”

Anna Malmhake, Chairman and CEO of Irish Distillers, stated: “At the heart of everything that Irish Distillers does is a desire to see Irish whiskey grow. This deal with Sazerac, if completed, would allow Irish whiskey’s reputation and footprint to grow further internationally. The proposed deal would ensure that Paddy would continue to be produced with the same love and care by our team in Midleton, Cork.”

The proposed divestment of Paddy Irish Whiskey is in line with the Pernod Ricard strategy to simplify its portfolio for growth and could facilitate, among other things, targeted investment in other key Irish Distillers’ whiskey brands including Jameson and Powers to support continued growth.

Paddy Irish Whiskey is the 4th largest Irish whiskey brand in the world, selling 200,000 9-litre cases in 28 countries worldwide annually. As the Irish whiskey industry is projecting 100% growth by 2020, an acquisition of the Paddy brand by Sazerac would ensure that the brand is positioned for sizeable investment to support its future growth.

Subject to pending negotiations, Irish Distillers and Sazerac expect to sign and complete the transaction simultaneously in the following weeks. An announcement will be made if and when the transaction is complete.
TAXATION

The following is a general description of certain tax considerations relating to the Notes in France. It does not purport to be a complete analysis of all tax considerations relating to the Notes in France. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries. This summary is based upon the law in effect on the date of this Prospectus and is subject to any change in law that may be enacted or take effect after such date.

France

Withholding Tax

The following does not address specific issues which may be relevant to holders of Notes who concurrently hold shares of the Issuer.

Payments of interest and other revenues made by the Issuer with respect to Notes will not be subject to the withholding tax set out under Article 125 A III of the Code général des impôts unless such payments are made outside France in a non-cooperative State or territory (Etat ou territoire non coopératif) within the meaning of Article 238-0 A of the Code général des impôts (a Non-Cooperative State). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable by virtue of Article 125 A III of the Code général des impôts, subject to certain exceptions and to the more favourable provisions of an applicable double tax treaty.

Furthermore, according to Article 238 A of the Code général des impôts, interest and other revenues on such Notes are not deductible from the Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State (the Deductibility Exclusion). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the Code général des impôts, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 bis 2 of the Code général des impôts, at a rate of 30 per cent. or 75 per cent., subject to the more favourable provisions of an applicable double tax treaty.

Notwithstanding the foregoing, neither the 75 per cent. withholding tax set out under Article 125 A III of the Code général des impôts nor, to the extent the relevant interest or other revenues relate to genuine transactions and are not in an abnormal or exaggerated amount, the Deductibility Exclusion and the related withholding tax set out under Article 119 bis 2 of the Code général des impôts will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payment of interest or other revenues to be made in a Non-Cooperative State (the Exception).

Pursuant to the Bulletin Officiel des Finances Publiques-Impôts BOI-INT-DG-20-50-20140211 n°550 and 990, BOI-RPPM-RCM-30-10-20-40-20140211 n°70 and BOI-IR-DOMIC-10-20-20-60-20150320 n°10, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

(i) offered by means of a public offer within the meaning of Article L.411.1 of the Code monétaire et financier or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
(ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

(iii) admitted, at the time of their issue, to the operations of a central depositary or of a securities clearing systems operator within the meaning of Article L.561-2 of the Code monétaire et financier, or of one or more similar foreign depositaries or operators provided that such depositary or operator is not located in a Non-Cooperative State.

The Notes, which will be admitted to trading on the regulated market of Euronext in Paris, will fall under the Exception. Accordingly, payments of interest and other revenues with respect to the Notes will be exempt from the withholding tax set out under Article 125 A-III of the Code général des impôts. In addition, they will be subject neither to the non-deductibility set out under Article 238 A of the Code général des impôts nor to the withholding tax set out under Article 119 bis, 2 of the same Code solely on account of their being paid to a bank account opened in a financial institution located in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Furthermore, pursuant to Article 244 bis C of the Code général des impôts, a Holder of the Notes who is not resident of France for French tax purposes and who does not hold its Notes in connection with a permanent establishment or a fixed place of business in France, will generally not be subject to deduction or withholding of tax imposed by France in respect of gains realized on the sale, exchange or other disposition of the Notes.

**Transfer Tax**

No transfer taxes or similar duties are payable in France in connection with the issuance or redemption of the Notes, as well as in connection with the transfer of the Notes, except in case of filing of documents to the French tax authorities on a voluntary basis, according to current legislation.

**Payments made to individuals who are fiscally domiciled in France**

Pursuant to Article 125 A of the Code général des impôts subject to certain limited exceptions, interest and similar revenues received by individuals who are fiscally domiciled (domiciliés fiscalement) in France are subject to a 24 per cent. withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5 per cent. on interest and other similar revenues paid to individuals who are fiscally domiciled (domiciliés fiscalement) in France.

_Prospective investors are urged to consult their own tax advisors as to the French tax considerations relating to the purchase, ownership and disposition of the Notes in light of their particular circumstances._
